## Go configure.

When there's a configuration challenge, Aspen is up to the task. From boardroom to training center, [Aspen Tables](#) provide the look and versatility for just about any configuration. Who knew it could all come together this easily?

- Five unique shapes configure easily into meeting or training setups
- Create board room, "round table," panel discussion or traditional classroom arrangements
- Durable work surfaces resist scratches and stains
- PVC edge banding stands up to collisions and dents
- Levelers adjust for stability on uneven surfaces
- Coated undersides prevent clothing snags
- Manufacturer's 10-year warranty
- Meets ANSI/BIFMA standards for safety and performance

# space planning

We make it easy to plan your office.

The Aspen Tables Series allows you to create a variety of boardroom, "round table" and training room arrangements.

FREE space planning assistance available

- Bush space planners create customized computer layouts using GIZA software
- Consumers receive a 2D and 3D computer layout along with a shopping list for ordering ease
- Most custom layouts available by fax or email within 24 to 48 hours

Visit [www.officesimulator.com](http://www.officesimulator.com) for do-it-yourself space planning

- Office Simulator is an interactive online planning tool that allows the consumer to plan an office space with any Bush Business Furniture collection

Visit the Solutions Center page at [www.bushfurniture.com](http://www.bushfurniture.com) for sample configurations.
